

SKY AUX

Description

Sky Aux is an auxiliary fining which is designed to be used in conjunction with Isinglass and vegan finings to remove protein and some yeast. It works by imparting a negative charge onto proteins which in turn allows them to be removed along with the yeast through Isinglass or vegan fining addition.

Benefits

- Vegan Friendly
- Improves filterability
- Reduced conditioning time saving money and energy consumption

Application and Dosage Rates

REFER TO THE SAFETY DATA SHEET BEFORE USING THIS PRODUCT.

Dose at a rate of 0.25 – 1 pint per barrel. Dosage rates should be optimised on a regular basis to ensure optimum performance. Please contact a member of our technical team for advice on optimisation trials.

Auxiliary Finings can be added at the following points.

- Directly to the fermentation tank at the end of fermentation
- Directly into the conditioning tank
- Directly into the cask

PRODUCT CODE

7114

PACKAGING

25 Litres 200 litres 1000 litres

STORAGE

Store in original container.

Recommended storage temperature 10–20 Degrees C.

Store away from direct sunlight.

Do not allow to freeze.

SHELF LIFE

Use within 52 weeks from date of the date of manufacture.

REVISION NUMBER 001
REVISION DATE 10/02/2026
